- Marina: 4 km
- Mountains: 2 km

- Flat plot
- Close to the beach
- Corner plot
- Plans available

Corner flat plot on the Pi Ver urbanisation in Javea.

This larger than average plot has lovely views across the valley to Mount Montgo thanks to its slightly raised position. There are distant sea views too.

There are no overhead cables in this area, so the sky is clear.

Full utility connections include electric, water, mains drainage and mains gas for this plot.
